Bahrain Ombudsman delegation visits Wafaqi Mohtasib's Office

TIMES REPORT

ISLAMABAD: A 5-member delegation from the Secretariat

(WMS), Mr. Shahid Humayun on the role, functions and working of the organization with to the people especially in the remote and far flung areas of the country. Later, the delegation

Principles, Venice Principles and UN Resolution 77/224 of 2022 for greater outreach and promotion of good governance in the members states. The delegation commended the excellent role being played by the organization towards resolution of public grievances and expressed the view that sharing of experiences would help both organizations to grow professionally, to their mutual advantage. It also visited the some other ombudsmen organizations like Federal Tax Ombudsman (FTO) and Federal Ombudsman Secretariat for Protection Against Harassment (FOSPAH).

General of Ombudsman Office of Bahrain, headed Mr. Mohamed Tawfeeq Ali Taqi, Chief of Development Division, visited the Wafaqi Mohtasib Office here today. The delegation is currently on a visit to Pakistan to study the growth and development of ombudsman-ship in the country. They were briefed by the Advisor, Wafaqi Mohtasib Secretariat

special reference to the new initiatives taken for providing speedy relief to the general public against mal-administration. The Advisor informed the delegation that currently the focus was on improvement in service delivery operations and expanding the outreach and accessibility of the organization with a view to providing administrative relief

also visited the Asian Ombudsman Association (AOA) Secretariat, Islamabad, wherein it was apprised of the role and functions of the Association by the Executive Secretary, AOA, Ambassador Abdul Moiz Bokhari. He said that the organization is following the well-known and internationally acclaimed development benchmarks like the Paris
