Federal Ombudsman Ejaz Ahmad Qureshi inaugurated a webinar on public awareness about Ombudsman Institutions under Asian Ombudsman Association Asian (AOA) last 6 days. What did AOA is a non-political and expert organization of 47 member ombudsmen in Asia, with its Permanent Secretariat, Federal Ombudsman Secretariat located in Islamabad. Federal Ombudsman Aja Zahamad Qureshi, who is also the current president of AOA, while addressing the webinar, said that the Federal Ombudsman is constantly working to ensure that administrative justice reaches the people at their doorsteps. or can go He said that wider public awareness is the key to ombudsman institutions. He said that for immediate redressal of the complaints of the people of remote and backward areas, a comprehensive, vigorous and

coordinated awareness campaign is being conducted about the Ombudsman Institutions. The Federal Ombudsman further said that all the member states have been urged by the United Nations and other international organizations to raise awareness about the institutions of the Ombudsman with the cooperation of the relevant stakeholders. Take initiatives at the national level from which the common man can benefit. Senator Mushahid Hussain Syed while addressing the webinar discussed various ways of increasing public awareness and management of government institutions from a professional point of view. He gave a full and useful lecture on the issue of immediate relief to the people who are suffering from excesses and mismanagement. He said that the establishment of more offices of the federal ombudsman and the use of information technology can be very useful for increasing public

awareness. He also urged the media and journalist community to play their full role in conveying the message and objectives of the ombudsman to the common man so that the people know about their rights and duties in the public eye. Aga can only be produced. In addition to Azerbaijan, Benin, China, Hong Kong, Indonesia, Iran, Morocco, Tatarstan, Thailand and Turkey, provincial and federal ombudsmen of Pakistan and 60 regional offices participated in the webinar. more than
