## Ombudsman's fact finding team visits Poly Clinic

**CITY REPORTER**

Federal Ombudsman Ejaz Ahmad Qureshi taking notice of numerous complaints by the general public regarding shortage/inadequate provision of medications, inordinate delay in certification of medical reimbursement bills, unhygienic conditions, and undue delay in clinical tests and treatment, sent a team of his Advisors to Islamabad Poly Clinic Hospital to ascertain the hardship/gravity of the problems being faced by the common man. It would ascertain the constraints of the Hospital Management with a view to identifying the corrective measures for overcoming the problems of the general public.

The Team comprising Senior Advisor Mr. Ahmed Farooq and Mr. Pervez Haleem, Consultant (Implementation) and others visited various departments of the hospital, interviewed the public at various places in the hospital and also called on the Executive Director alongwith senior officers of the Management to discuss the difficulties faced by the public.

## Federal Ombudsman sends fact finding team to Poly Clinic to ascertain public problems

■ OUR CORRESPONDENT  
ISLAMABAD

The Hon'ble Federal Ombudsman Mr. Ejaz Ahmad Qureshi taking notice of numerous complaints by the general public regarding shortage/inadequate provision of medications, inordinate delay in certification of medical reimbursement bills, unhygienic conditions, and undue delay in clinical tests and treatment, sent a team of his Advisors to Islamabad Poly Clinic Hospital to ascertain the hardship/ gravity of the problems being faced by the common man and also to ascertain the constraints of the

Hospital Management with a view to identifying the corrective measures for overcoming the problems of the general public.

The Team comprising Senior Advisor Mr. Ahmed Farooq and Mr. Pervez Haleem, Consultant (Implementation) and others visited various departments of the hospital, interviewed the public at various places in the hospital and also called on the Executive Director along-with senior officers of the

Management to discuss the difficulties faced by the public.

The Team will recommend short and long term corrective measures for the purpose of issuance of necessary directives to the concerned quarters by the Wafaqi Mohtasib.

The Implementation Wing of the Wafaqi Mohtasib Secretariat will ensure compliance of the directives in the coming weeks and months so that the public is facilitated quickly and feels the difference and improvement in the medical services being rendered by the Islamabad Polyclinic Hospital.

## China to open Khunjrab Border from April 01: Razak

Advisor on Commerce, Abdul Razak Dawood Tuesday says China would open the Khunjrab Border on April 01, 2022 to boost bilateral trade volume. The opening of the border will not only help in utilization of the second phase of Pakistan-China Free Trade Agreement (FTA) but it would also support the local commerce on both sides of the border. Especially the fruit and vegetable exporters from north side of Pakistan would benefit from this development.

## Pakistan top beneficiary of Educate a Child initiative: Amb Sheikh Saoud Al Thani

Ambassador of Qatar Sheikh Saoud bin Abdulrahman Al Thani says Pakistan has become one of the largest beneficiaries of the Educate a Child initiative of Her Highness Sheikha Mozah Bint Nasser after the Education Above All (EAA) Foundation partnered with the Asian Development Bank to enroll 260,000 poor and 'Out of School Children' (OSC) into primary education over the next four years.
